NUMBER 172

WAR SEEMS LIKELY

Paris, Oct. 17.—Optimism prevailing in official circles up to today concerning the ability of the Powers to retain peace in Eastern Europe was rudely shattered this evening on the receipt of a telegram from the French Ambassador at Constantinople, M. Constans, announcing that Turkey had ordered the mobilization of her troops in Asia Minor and tonight it is believed that a few hours will determine the issue of peace or war. This is regarded as Turkey's answer to Bulgaria's refusal to accord compensation for her independence and to the Powers which arranged the program in London for the international conference.

French Authorities Urge Prudence.

Instructions have been hurriedly forwarded to the French representatives at Constantinople and Sofia to renew their counsels of prudence and undoubtedly the other Powers have sent similar instructions to their representatives at these cities, urging moderation on the part of Bulgaria and Turkey.

Fear Collision Is Inevitable.

The fear among diplomats, however, is that intervention may come too late and that Bulgarians in their present state of excitement may accept Turkey's act as one of provocation and advance across the frontier, when a collision between the two armies would be inevitable and irreparable.

Diplomats Consider Situation.

At a dinner at the Russian Embassy tonight in honor of M. Iswolsky, the Russian Foreign Minister, at which Premier Clemenceau, M. Pinchon, the French Foreign Minister and Baron

Rosen, the Russian Ambassador to the United States, who is now on his way to Biarritz, were present, the ominous nature of the situation was discussed, but the hope was expressed that diplomacy might yet save the day. If twenty-four hours can be gained diplomats in Paris generally believe that Turkey and Bulgaria can be made to see the folly of hostilities.

STRAW VOTE TAKEN

New York, Oct. 17.—All over the country the political winds are rising. They blow this way and that. Straws, which show their tendency, are interesting factors just before the gale of November. Such factors are popular ballots carefully and widely taken in doubtful states and in cities where conflicting claims are made by the great contending parties.

Never before have so many of those indicative factors been furnished by a newspaper on the eve of a national election. With votes here given, details of which follow, are stories of conditions in the states of Maryland, Iowa, Kansas and Missouri and the result of polls taken on the same night in the theaters of Greater New York, Cincinnati, St. Louis and Baltimore.

In Maryland, in country and city, nearly 2,500 votes were polled. Of these Mr. Taft got 1,297 and Mr. Bryan 1,267. The drift shown was the declared intention of forty-five republicans to vote for Mr. Bryan and eighty-five democrats to vote for Mr. Taft.

In Iowa an exhaustive canvass was taken. It embraces eighteen cities, including Des Moines, Burlington, Sioux City and Council Bluffs. Nearly 7,000 votes were polled. Of these Mr. Taft received 3,638 and Mr. Bryan 2,849. From this showing the Chicago Record-Herald says Mr. Taft will carry the state by more than 55,000.

In Kansas polls were made in Topeka, Wichita and Manhattan, the east of the state agricultural college. The latter seemed to indicate that if the city and town were about even rural Kansas would give the state to Mr. Taft by 60,000 over Mr. Bryan.

Indication from the straw vote in Missouri are that it will show Mr. Bryan that it has returned to its old-time party by 50,000.

In Greater New York twenty-eight theaters were polled on Thursday night, when audiences in the playhouses of Baltimore, St. Louis and Cincinnati were asked to vote for their choice for president. A heavy vote was obtained. In this city 7,479 ballots were cast, of which Mr. Taft received 4,236 and Mr. Bryan 3,243. The vote for governor was 2,694 for Mr. Hughes and 4,696 for Mr. Chandler.

Eight theaters in St. Louis gave Mr. Taft a majority of nineteen. In Cincinnati, in eleven theaters, the vote was 2,224 for Mr. Taft and 2,032 for Mr. Bryan, a majority of 192 for the republican candidate in his home town in a total of more than 4,000. The seven theaters polled in Baltimore gave Bryan a lead of forty-seven, but the vote showed a decided drift to his foremost opponent.

JAPS WELCOME AMERICAN FLEET

Yokohama, Oct. 18.—The American battleship fleet dropped anchor in the harbor at 9:30 o'clock this Sunday morning. Owing to a fog that hung heavy over the bay, there was some delay in the fleet's arrival.

Great Enthusiasm Prevails.

At 8:45 a. m., the guns from one of the sixteen Japanese battleships boomed a salute as the tender Yankton, which was slightly in the lead of the American fleet, appeared dimly through the fog, which soon lifted a little, enabling a full view of the fleet approaching its anchorage grounds.

Hiett-Day.

On Sunday morning at 9:30, at the groom's home, Mr. E. A. Hiatt and Miss Katie Hall were united in marriage, Rev. T. L. Rippey performing the ceremony.

Mr. Hiatt has resided in Ada a number of years and is one of our most substantial and industrious citizens. He is at present proprietor of the Townsend Avenue Hotel.

The bride, with mother, came to Ada a few months ago from Wemuka. Mrs. Day will make her home with the young couple.

We extend earnest congratulations and best wishes.

OHIO AND INDIANA.

These States Conceded to William J. Bryan.

Chicago, Ill., Oct. 17.—Wellman in Record-Herald concedes Ohio by 11,000. He states that Indiana is hopelessly lost to Taft. This is strong republican corroboration of reports received at our headquarters from every county in these two states. There is a strong probability of carrying Illinois and Iowa, while Kansas, Nebraska and Iowa, as well as Colorado and other Mountain States, are certain for Bryan. We regard New York as absolutely safe for Bryan. The victory will be a glorious one.

W. C. WETMORE, Chairman;
M. F. DUNLAP, Secretary,
Democratic National Finance Committee.

Armstrong-Rotherum.

R. L. Armstrong and Miss Grace Rotherum were married at the home of W. H. Turner Sunday evening at 7 o'clock, Rev. White of the Immanuel Presbyterian church, officiating.

Mr. Armstrong has been a resident of Ada for a number of years and counted one of our most industrious and worthy young men. He is at present in the employ of Sol Moss engaged in the grocery business.

The bride came to Ada recently from Paris, Tex., and has since her residence here been conducting the Ada Millinery Parlors, and is very popular among her many friends and associates. They will reside at the groom's home on West 12th street.

The News joins their many friends with best wishes.

We have sold goods in Ada six years, but we don't ask you to trade with us for the reason we do business in Ada or because we are friends. Neither do we send you prices and descriptions and insist on you sending us the money without personal inspection of our goods, as catalogue houses do, but ask for your trade on the broad ground of good, reliable goods, sold at fair prices and easy terms, with the fact made prominent that we carry a good reliable stock.

We call special attention to our Rockers shipped direct from the factory; no middle man's profit. They are selling fast. Six Upholster Rockers went out Friday and Saturday. We placed rush orders today to supply the demand. When you are in our store, ask to see our Iron Beds, especially a Vernis Martin, two inch post for \$16.00. We solicit your inspection of our stock.

GORE AND THE LEGISLATURE.

Senator Gore's countless thousands of friends and admirers in Oklahoma must not forget the idea that because he had a majority of fifty thousand in the primary, that nothing remains for them to do to insure his re-election to the United States senate.

Senator Gore's successor in the United States senate will be chosen by the next Oklahoma legislature. If that legislature is democratic, Senator Gore will be elected. If it is republican, the general attorney for the Frisco railroad in Oklahoma will be elected. If you prefer Thomas P. Gore as your United States senator to Dennis Flynn, don't fail to use your vote and influence for the election of democratic candidates for the members of the legislature in your district. Only by voting for the democratic candidates for the legislature can you vote for Thomas P. Gore. Remember that on your vote for candidate for representative, or state senator from your county, may depend whether Oklahoma is to

be represented in the United States senate, by her gifted blind senator, or by the head of the gas and electric light trust of Oklahoma.

AT LIGHTNING RIDGE.

Honorable Bob Wimbish and Otis Weaver, under committee assignment went to Lightning Ridge Saturday evening and that night addressed the citizens of that banner democratic community in behalf of the democratic ticket.

A fair sized audience was present and the most courteous reception was extended the visitors.

Mr. Wimbish delivered a most appropriate and forceful address and was heartily cheered at its conclusion. He made an especial appeal to the socialists to come into the democratic fold where they would be affiliated with the citizens who are struggling for the best government obtainable. Said Bob to them, "Since the writing of that idealistic socialist production, Utopia, several generations ago, the socialists remain as distant from the accomplishments of its beautiful portrayals."

The News editor made a few feeble remarks succeeding which, he took up a collection in behalf of the democratic campaign fund, receiving seven dollars, those contributing being, W. M. Conder, \$1.00; W. V. Smith, \$1.00; R. L. Hennigan, \$1.00; A. Hennigan, \$1.00; G. W. Montgomery, \$1.00; H. G. Coffee, \$1.00; G. W. Laseman, \$1.00.

We appreciated the kindly treatment at the hands of the Lightning Ridge democracy.

You may catch cold; don't do without a cloak when you can buy at \$7.50 cloak for \$3.98.

A \$10.00 cloak for \$5.98.

A \$16.00 cloak for \$12.50.

ORDINANCE NO. 154.

AN ORDINANCE REGULATING THE CONSTRUCTION OF BUILDINGS, AND PUBLIC WORKS IN THE CITY OF ADA, OKLAHOMA.

Be it ordained by the Mayor and Councilmen of the City of Ada:

Section 1. That no person, company, or corporation shall erect or caused to be erected within the City of Ada, any building or structure of any kind, or enlarge or add to the outside dimensions of, or relocate any building or structure already located or which may hereafter be erected, without first having obtained from the City Clerk a permit therefor.

Section 2. The application for such permit shall state the exact site to be occupied by the proposed building or structure, or addition, the kind of material to be used, its dimensions when completed, the business or purpose for which it is to be used; and for the purpose of this article, buildings are hereby classified under the following heads, to-wit: (1) residences and addition thereto; (2), barns and outbuildings; (3), shops and factories; (4), business and warehouses; (5), churches and school houses; (6), hotels; (7), halls and public buildings. And the application shall also state the number of flues to be constructed in such building or structure or addition, and the kind of flues; and in case of the removal or relocation of any building or structure, the application state the site to be occupied after removal.

Section 3. Any work, alteration, or repair to be made on the inside of any building or structure or the roof of same, located within the fire limits, when such alteration, work, or repair shall pertain in any way to the external or party walls, or to the columns or partition walls which or the support of the floor beams or rafter joists, or to the flues, stairways or roofs of such building, structure or addition, shall to the extent of such work, alteration, or repair, be subject to the provisions of this ordinance. A blank form of application shall be supplied by the city, and a fee of one dollar shall be charged for the building permit issued for a building costing not over five hundred dollars and not less than twenty-five dollars; two dollars for a building permit for a building costing over five hundred and less than two thousand dollars; and three dollars for a building permit for any building costing over two thousand dollars. All fees arising under this section shall be paid to the City Clerk by the person making the application, which said fees shall be applied to the engineering fund. Provided, that outside the fire limits, the fee for issuing the permits aforesaid, shall be one-half the price charged for permits for the same value of buildings inside the fire limits.

Section 4. It shall be the duty of the City Clerk to issue all building and other permits hereafter provided for, the same to be approved by the city engineer. It shall be his duty, upon application for such permit being made, to see that such proposed building, structure, or addition, alteration or relocation is to be in conformity with the ordinances of the city pertaining to the erection of buildings and the construction of chimneys and flues, and if necessary he may require that the plans and specification which have been prepared for such building, etc., be submitted to him for inspection. And if such building, structure, etc., is not in violation of the ordinances of the city, the said City Engineer shall promptly approve the same and instruct the City Clerk to issue a permit to the applicant to build, add to, alter, or relocate such structure, building, or addition, at the place, and of the dimensions and material set forth in said application as approved. Any proposed building, structure, addition, alteration or relocation for which an application for a permit has been made and which in the opinion of the City Engineer is, in whole or in part hazardous and dangerous as regards the causing or spreading of fires, and which is not clearly covered by or defined by the ordinances of said city, the City Engineer shall withhold such permit until the case can be reported by him to the Mayor, which he shall promptly do, and the permit in such case, if issued, shall be issued by the Mayor, such order to be endorsed on the permit. If in the process of erecting any building, structure, addition or alteration for which a permit has been issued, it shall come to the knowledge of the City Engineer that any feature is being incorporated in or upon such building, etc., which is, in his judgment, extra hazardous and dangerous as regards fire, and which objection-

able feature was not specified in such application and building permit, or which is not clearly covered by or defined in the ordinances of said city, he may direct that further progress of such particular objectionable work shall cease, until reported by him to the Mayor, which he shall promptly do and a permit be ordered or refused, as heretofore named in this section.

Section 5. The City Clerk shall keep a record of all permits issued under this ordinance, and shall also file in his office all applications upon which permits have been issued or refused. Both applications and permits shall be numbered regularly in the order filed and issued, and each permit shall agree in essential details with the application as approved. The record shall contain record of building permits of every building, or structure erected, every addition, alteration or removal, of what material constructed, and the estimated cost. The said record shall be kept in a clear, legible hand and shall be turned over to his successor upon his retiring from office, or in case no successor has been appointed or elected, then to the Mayor of the city. The said City Clerk shall collect all fees for building permits before same are issued, and shall retain 10 per cent of the amount of such fees to be applied on his salary, the balance to be turned over to the City Treasurer and his duplicate receipt taken therefor.

Section 6. No building shall hereafter be erected within the fire limits of the said City of Ada, except as hereinafter provided, to-wit:

(a.) All outside and party walls shall be made of stone, brick or other fire-proof material.

(b.) All outside and party walls not exceeding twenty-four feet in height from the level of the sidewalk to the underside of the roof joists or rafters shall not be less than thirteen inches in thickness, if of brick, and not less than eighteen inches if of stone.

(c.) All outside and party walls of brick dwellings not exceeding twelve feet in height from the top of the water table to the underside of the roof joists or rafters shall not be less than ten inches in thickness; provided, that said walls shall be tied with galvanized wire wall ties of not less than twelve gauge wire every four courses, or if brick headers are used they shall be flemlished bond every sixth course.

(d.) Outside or party walls exceeding twenty-six feet in height from the level of the sidewalk to the underside of the roof joists or rafters, shall not be less than seventeen inches in thickness up to the third story if of brick, and not less than twenty-two inches if of stone; thirteen inches for the third story, if of brick, and not less than eighteen inches for the third story if of stone; and for buildings of more than three stories the thickness of the walls for the lower stories shall be increased by four inches of brick and six inches of stone for each additional story. All party or division walls must have fire-walls extending up through the roof at least eighteen inches. Provided: That division or party walls, when not extended to the roof, must be built flush with the top of the joists.

(e.) All joists, beams, or other timber in outside and party walls, shall be supported at least four inches from each other with stone or brick laid in mortar, and all wooden material or plate pieces in front or rear walls, shall recede from the outside walls at least four inches, except that lintels or timber may be used in cornice covered with tin, iron, or other fire-proof material, which recede four inches from the outside or front as aforesaid.

(f.) Roofs, cornices, and gutters shall be covered on the outside surface with copper, tin, iron, or other fire-proof materials.

(g.) In brick walls, every fifth course shall be headers. Walls shall be securely anchored to the timbers and joists resting upon them with wrought iron or steel anchors placed not more than six feet apart; for joists, where there are more than one tier, they must be anchored continuously so as to anchor the walls together. All girders or beams entering into the wall shall rest on iron plates, not less than eight inches wide and the wall shall rest on iron plates not less than eight inches wide and sixteen inches long. All such girders shall have heavy iron anchors not less than three feet six inches long by two inches wide and one-fourth of an inch thick, three to be fastened to the girder or beam with not less than three three-inch wrought nails with hook at end of strap one-inch long let into the wood. Where girders and beams meet, they shall be securely fastened together with wrought iron straps not less than

two inches in width and three-eighths of an inch thick with not less than four nails as above specified, and hook one inch long at either end let into the wood.

Section 7. All buildings shall be provided with proper metallic leaders or pipes to conduct the water from the roof to the outside.

Section 8. No building shall hereafter be erected within the fire limits of the said City of Ada, except as hereinafter provided, to-wit:

(a.) All outside and party walls shall be made of stone, brick or other fire-proof material.

(b.) All outside and party walls not exceeding twenty-four feet in height from the level of the sidewalk to the underside of the roof joists or rafters shall not be less than thirteen inches in thickness, if of brick, and not less than eighteen inches if of stone.

(c.) All outside and party walls of brick dwellings not exceeding twelve feet in height from the top of the water table to the underside of the roof joists or rafters shall not be less than ten inches in thickness; provided, that said walls shall be tied with galvanized wire wall ties of not less than twelve gauge wire every four courses, or if brick headers are used they shall be flemlished bond every sixth course.

(d.) Outside or party walls exceeding twenty-six feet in height from the level of the sidewalk to the underside of the roof joists or rafters, shall not be less than seventeen inches in thickness up to the third story if of brick, and not less than twenty-two inches if of stone; thirteen inches for the third story, if of brick, and not less than eighteen inches for the third story if of stone; and for buildings of more than three stories the thickness of the walls for the lower stories shall be increased by four inches of brick and six inches of stone for each additional story. All party or division walls must have fire-walls extending up through the roof at least eighteen inches. Provided: That division or party walls, when not extended to the roof, must be built flush with the top of the joists.

(e.) All joists, beams, or other timber in outside and party walls, shall be supported at least four inches from each other with stone or brick laid in mortar, and all wooden material or plate pieces in front or rear walls, shall recede from the outside walls at least four inches, except that lintels or timber may be used in cornice covered with tin, iron, or other fire-proof material, which recede four inches from the outside or front as aforesaid.

(f.) Roofs, cornices, and gutters shall be covered on the outside surface with copper, tin, iron, or other fire-proof materials.

(g.) In brick walls, every fifth course shall be headers. Walls shall be securely anchored to the timbers and joists resting upon them with wrought iron or steel anchors placed not more than six feet apart; for joists, where there are more than one tier, they must be anchored continuously so as to anchor the walls together. All girders or beams entering into the wall shall rest on iron plates, not less than eight inches wide and the wall shall rest on iron plates not less than eight inches wide and sixteen inches long. All such girders shall have heavy iron anchors not less than three feet six inches long by two inches wide and one-fourth of an inch thick, three to be fastened to the girder or beam with not less than three three-inch wrought nails with hook at end of strap one-inch long let into the wood. Where girders and beams meet, they shall be securely fastened together with wrought iron straps not less than

secure bearing on the masonry or iron at either end. All flues shall be topped out at least four feet from the roof of the building to which they belong. The brick topping of the chimneys shall not have more than four inches projection unless covered by a cap of metal or stone properly secured.

Section 10. No wood work of any kind shall be placed at a lesser distance than two inches from any tin or metal flue or pipe used or intended to be used to convey heated air or steam in any building unless such flue or pipe be cased with metal or asbestos leaving a free circulation of air all around the same. No smoke-pipe in any wooden or frame building shall hereafter enter any flue unless the said pipe shall be at least twelve inches from either the floors or ceiling; and all cases where smoke-pipes pass through studs or wooden partition of any kind, whether the same be plastered or not, they shall be guarded by either a collar of metal with at least four inches of air space and holes for ventilation, or by a soapstone ring not less than three inches in thickness and extending through the partition. Flues and party walls shall not extend beyond the center of the wall. Joint flues in party walls shall be separated by a four-inch "withe" of brick work through their entire course.

Section 11. The engineer shall be inspector of all chimneys and flues and as such perform the duties required of him by this article.

Section 12. He shall at least, once in each year, and oftener when there-to required, by any member of the city council, or upon complaint of any person, if he deem it necessary, carefully examine all chimneys and

IF WOMEN ONLY KNEW.
What a Heap of Happiness It Would Bring to Ada Homes.

Hard to do housework with an ach-ing back.
Brings you hours of misery at leis-ure or at work.

If women only knew the cause—that bachache pains come from sick kidneys,, 'twould save much needless woe. Doan's Kidney Pills cure sick kidneys. Ada people endorse this:

Mrs. S. M. Kyserm, living at 502 W. Main street, Ada, Okla., says: "Last summer I was suffering a great deal from a dull, heavy aching through my back and hips. I thought it was due to a cold settling on my kidneys, and was inclined to believe that it would soon disappear. The aching became more intense, how- ever, and other symptoms of kidney trouble developed. I then decided to give Doan's Kidney Pills a trial, and procured a box at G. M. Ramsey's drug store. After taking a few doses the trouble began to disappear. I con- tinued using the remedy faithfully, until my difficulties were entirely re- moved. I am glad to state I have had no return of kidney complaint since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo. New York sole agents for the United States.
Remember the name—Doan's—and take no other.

Administrators Notice.
State of Oklahoma, Pontotoc County. In County Court.
In the matter of the estate of Victoria May Brown, deceased.
To the Heirs, Next of Kin, and Cred- itors of Victoria May Brown, de- ceased:

You are hereby notified that N. T. Heard has applied to the county court of Pontotoc County, State of Oklaho- ma, for letters of administration on the estate of Victoria May Brown, deceased, to be granted to N. T. Heard, and that said application will be heard in the Court room of said Court in the City of Ada, in said County, on the 20th day of October, 1908, at 10 o'clock a. m., at which time and place any person interested may appear and show cause if any they have why such petition should not be granted.

Witness my hand and the seal of said court hereunto affixed this 8th day of October, 1908.

Cold Weather Advice.

to all is to beware of coughs and colds on the chest; as neglected they readily lead to pneumonia, con- sumption or other pulmonary trou- bles. Just as soon as the cough ap- pears treat it with Ballard's Hore- hound Syrup the standard cure of America. Use as directed—perfectly harmless. A cure and preventive for all diseases of the lungs.

Price 25c, 50 and \$1.00 per bot- tle. G. M. Ramsey. 251m

Served as coffee, the new coffee substitute known to grocers every- where as Dr. Shoop's Health Coffee, will trick even a coffee expert. Not a grain of real coffee in it either. Pure healthful toasted grains, malt, nuts, etc., have been so cleverly blended as to give a wonderful sat- isfying coffee taste and flavor. And it is "made in a minute," too! No tedious 20 to 30 minutes boiling. Test it and see, Dr. Shoop created Health Coffee that the people might have a genuine coffee substitute, and one that would be thoroughly sat- isfying in every possible respect. Sold by R. S. Tobin. 156-1m

flues suspected to be in a dangerous and unclean condition; and if any such chimneys or flues are found by him to be unsafe, out of repair or unclean, he shall give written or printed notice to the owner or occupant of the premises to have the same put in a safe condition, repaired or cleaned within five days from the date of said notice. If the owner or occupant shall fail to comply with such notice within the time limited the said inspector shall report such owner or occupant to the city attorney for prosecution, and shall proceed to have such chimneys or flue put in safe condition repaired or cleaned and the cost thereof shall be taxed as a cost against such owner or occupant in the proceeding against him before the police judge.

Section 13. It shall be unlawful for any person to occupy or obstruct any street, avenue or alley in the City of Ada by the removal of any building or house from one place to another without first having obtained written permission from the Mayor so to do. Such written permission shall specify what portion of the streets, avenues or alleys shall be used and for what period of time they may be used in removal of the building. And it shall be unlawful for any person to occupy or obstruct any portion of any street, avenue or alley other than specified in such written permission or for a longer period than therein granted.

Section 14. No person shall within the City of Ada move, or caused to be moved, any building or house from one place to another without first having obtained written permission as provided for in section 13.

Section 15. When any building is being relocated in the city as provided in this article, the person, company, or corporation moving the said building shall if such building be left on any street of the city over night, notify the chief of police of the location of such building; and such building shall be left in such manner as not to prevent traffic on such street.

Section 16. No wooden building or part of a building, within the fire limits except dwelling houses, incased with brick, shall be raised, repaired, enlarged, or removed to any other place within the same, nor shall any wooden building within the said limits which may hereafter be damaged by fire, the elements, or decay to the extent of forty per cent of the value thereof, be repaired or rebuilt; nor shall any building, where the damages are less than forty per cent of its value, be so repaired as to be raised higher than the highest point left standing.

after such damage shall have occurred, so as to occupy a greater space than before the injury thereto.

Section 17. The amount of damage that may be done to any building may be determined by the Mayor and two citizens who shall be selected as follows: The first shall be chosen by the owner of the building, and the second by the Mayor and person chosen by the property owner and the decision of the three shall be final and conclusive.

Section 18. Whenever such building shall be adjudged by arbitrators to have been damaged by fire, the elements, or decay, to the extent of forty per cent of its value, such building shall be condemned by the committee and it shall be unlawful as aforesaid, to repair the same.

Section 19. All buildings erected outside of the fire limits shall be constructed of material suitable for the purpose and in a safe and workmanlike manner.

Section 20. Any person who shall violate any of the provisions of this ordinance, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined not less than ten nor more than fifty dollars.

Passed by the council, this, the 12th day of Oct. A. D., 1908.

Approved by the Mayor, this, the 13th day of Oct. A. D., 1908.

Reuben M. Roddie returned from Oklahoma City this morning.

Stomach troubles would more quickly disappear if the idea of treating the cause, rather than the effect, would come into practice. A tiny, inside, hidden nerve, says Dr. Shoop, governs and gives strength to the stomach. A branch also goes to the heart, and one to the kidneys. When these "inside nerves" fail, then the organs must falter. Dr. Shoop's Restorative is directed specifically to these failing nerves. Within 58 hours after starting the Restorative treatment patients say they realize a gain. Sold by G. M. Ramsey. 156-1mo

A pain prescription is printed up on each 25c box of Dr. Shoop's Pink Pain Tablets. Ask your doctor or druggist if this formula is not complete. Head pains, womanly pains, pains anywhere get instant relief from a Pink Pain Tablet. G. M. Ramsey. 156-1m

RAILROAD RATES.

Visit to Dallas Fair Within Reach of All.

Dallas, Texas, Oct. 19.—The railroads of the Southwest have authorized the lowest rates ever made to Dallas, account the twenty-third annual meeting of the State Fair of Texas, which opens in Dallas, Saturday, Oct. 17, and continues sixteen days. From Kansas to the Gulf Coast and from Mississippi to New Mexico, reports have been received by local railroad men indicating that the passenger traffic into Dallas on account of Fair would be more than last year. The round trip rates that will apply from all points in Texas are as follows:

Class "A" Rates: Convention basis or one and one-fifth for the round trip; tickets on sale daily October 16 to 31, inclusive, limited to November 2nd., 1908, for return.

Class "B" Rates: One fare plus 10 cents for the round trip, tickets on sale daily October 17 to November 1, inclusive; limited two (2) days from date of sale, not to exceed November 2, 1908.

Class "C" Rates: (Sunday Rates) One fare round trip, not to exceed \$1.00 from points within 100 miles, with maximum rate of \$1.50 from points within 150 miles of Dallas, tickets to be sold for trains arriving at Dallas before 2 p. m., on October 18, 25 and November 1, limited to date of sale.

Class "D" Rates: One-half of the one-way rate, with minimum selling rate of \$3.60, tickets to be sold for trains arriving at Dallas, Saturday, November 1, limited to leave Dallas not later than November 2, 1908.

Very low rates are also authorized for the Fair from Louisiana, Arkansas and Oklahoma points.

"Just a minute," Cu-Cura Hair and Scalp remedies are guaranteed to give satisfaction or your money refunded. For sale by the J. E. Jones drug company.

PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablets—coaxes blood pressure away from pain centers. Its effect is charming, pleasantly delightful. Gently though safely, it surely equalizes the blood circulation. If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure. Bruise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense. We sell at 25 cents, and cheerfully recommend

Dr. Shoop's
Headache
Tablets
G. M. RAMSEY.

The Grand - Leader's Big Sale brought a big crowd to town Saturday. People came a distance of 75 miles. The store was crowded with happy buyers. 35 clerks were busy. Everybodo was satisfied. The sale is now on in full blast. Cold weather is coming--supply yourself with all your needs. Cloaks, suits, blankets, flannels at your own price. Every article in the house marked in plain figures. One price to all

GRAND - LEADER

To You

We sell something "more"
Than drugs at our drug store

We've envelopes, paper, pens and ink,
And many things which we think
The Ada people can easily use,
And, yet, we do not hadle "Booze."

If you with us will trade,
We'll try to observe the "golden rule,"
And we'll not be the least afraid,
Because we do not sell the "mule."

Se we do invite, the people all,
Of Ada's fair and pretty land,
To buy drugs from us this fall,
And on fairness, let us fall or stand.

We're here for your—health,
As well as your—wealth.

PEOPLE'S PHARMACY

DEATH LIST REACHES 27.

Twenty-Seven Known to Have Perished in Michigan Forest Fires, Which Are Still Raging.

Alpena, Mich., Oct. 17.—With twenty-seven people known to have perished in Presque Isle and with the forest still raging uncontrolled through the counties of Cheboygan, Presque Isle, Alpent and Alcona, as well as in other scattered districts through Northern Michigan, diligent search was begun today to determine the full extent of holocaust. It may take days to reveal the tragedies likely to have occurred on the isolated farms with families fighting bravely to save their lives and home-

fully known for a week, but it needs no elaborated details to de-steads. The death list may not be termine that the property loss will run into the millions. Whole villages have been blotted off the map and logging camps by the dozen, have been destroyed, with the entire season's output. Other districts where bad forest fires are reported are in the neighborhood of Elmira, Gaylord, Johannesburg, Cadillac, Gayling, in Crawford county, where four million trees planted by the state forestry commission, were destroyed; Grawn, Caseville and Bad Axe. In the upper Peninsula threatening fires are reported Saulte St. Marie, Menomnie Escanaba, Calumet and Houghton. At Koss, near Menomnie, eighteen homes are reported destroyed and as many more endangered.

NATIONAL BISCUIT COMPANY

WAR SEEMS LIKELY

Paris, Oct. 17.—Optimism prevailing in official circles up to today concerning the ability of the Powers to retain peace in Eastern Europe was rudely shattered this evening on the receipt of a telegram from the French Ambassador at Constantinople, M. Constans, announcing that Turkey had ordered the mobilization of her troops in Asia Minor and tonight it is believed that a few hours will determine the issue of peace or war. This is regarded as Turkey's answer to Bulgaria's refusal to accord compensation for her independence and to the Powers which arranged the program in London for the international conference.

French Authorities Urge Prudence.

Instructions have been hurriedly forwarded to the French representatives at Constantinople and Sofia to renew their counsels of prudence and undoubtedly the other Powers have sent similar instructions to their representatives at these cities, urging moderation on the part of Bulgaria and Turkey.

Four Collision Is Inevitable.

The fear among diplomats, however, is that intervention may come too late and that Bulgarians in their present state of excitement may accept Turkey's act as one of provocation and advance across the frontier, when a collision between the two armies would be inevitable and irreparable.

Diplomats Consider Situation.

At a dinner at the Russian Embassy tonight in honor of M. Iswolsky, the Russian Foreign Minister, at which Premier Clemenceau, M. Pinchon, the French Foreign Minister and Baron

Rosen, the Russian Ambassador to the United States, who is now on his way to Biarritz, were present, the ominous nature of the situation was discussed, but the hope was expressed that diplomacy might yet save the day. If twenty-four hours can be gained diplomats in Paris generally believe that Turkey and Bulgaria can be made to see the folly of hostilities.

STRAW VOTE TAKEN

New York, Oct. 17.—All over the country the political winds are rising. They blow this way and that. Straws, which show their tendency, are interesting factors just before the gale of November. Such factors are popular ballots carefully and widely taken in doubtful states and in cities where conflicting claims are made by the great contending parties.

Never before have so many of those indicative factors been furnished by a newspaper on the eve of a national election. With votes here given, details of which follow, are stories of conditions in the states of Maryland, Iowa, Kansas and Missouri and the result of polls taken on the same night in the theaters of Greater New York, Cincinnati, St. Louis and Baltimore.

In Maryland, in country and city, nearly 2,500 votes were polled. Of these Mr. Taft got 1,297 and Mr. Bryan 1,267. The drift shown was the declared intention of forty-five republicans to vote for Mr. Bryan and eighty-five democrats to vote for Mr. Taft.

In Iowa an exhaustive canvass was taken. It embraces eighteen cities, including Des Moines, Burlington, Sioux City and Council Bluffs. Nearly 7,000 votes were polled. Of these Mr. Taft received 3,638 and Mr. Bryan 2,849. From this showing the Chicago Record-Herald says Mr. Taft will carry the state by more than 55,000.

In Kansas polls were made in Topeka, Wichita and Manhattan, the east of the state agricultural college. The latter seemed to indicate that if the city and town were about even rural Kansas would give the state to Mr. Taft by 60,000 over Mr. Bryan.

Indication from the straw vote in Missouri are that it will show Mr. Bryan that it has returned to its old-time party by 50,000.

In Greater New York twenty-eight theaters were polled on Thursday night, when audiences in the playhouses of Baltimore, St. Louis and Cincinnati were asked to vote for their choice for president. A heavy vote was obtained. In this city 7,170 ballots were cast, of which Mr. Taft received 4,236 and Mr. Bryan 2,934. The vote for governor was 2,891 for Mr. Hughes and 4,636 for Mr. Chandler.

Eight theaters in St. Louis gave Mr. Taft a majority of nineteen in Cincinnati, in eleven theaters, the vote was 2,224 for Mr. Taft and 2,032 for Mr. Bryan, a majority of 192 for the republican candidate in his home town in a total of more than 4,000. The seven theaters polled in Baltimore gave Bryan a lead of forty-seven, but the vote showed a decided drift to his foremost opponent.

JAPS WELCOME AMERICAN FLEET

Yokohama, Oct. 18.—The American battleship fleet dropped anchor in the harbor at 9.30 o'clock this Sunday morning. Owing to a fog that hung heavy over the bay, there was some delay in the fleet's arrival.

Great Enthusiasm Prevails.

At 5.45 a. m. the guns from one of the sixteen Japanese battleships boomed a salute as the tender Yankton, which was slightly in the lead of the American fleet, appeared dimly through the fog, which soon lifted a little, enabling a full view of the fleet approaching its anchorage grounds.

Hiett-Day.

On Sunday morning at 9.30 at the groom's home, Mr. E. A. Hiatt and Miss Katie Hall were united in marriage, Rev. T. L. Rippey performing the ceremony.

Mr. Hiatt has resided in Ada a number of years and is one of our most substantial and industrious citizens. He is at present proprietor of the Townsend Avenue Hotel.

The bride, with mother, came to Ada a few months ago from Wetumka. Mrs. Day will make her home with the young couple.

We extend earnest congratulations and best wishes.

OHIO AND INDIANA.

These States Conceded to William J. Bryan.

Chicago, Ill., Oct. 17.—Wellman in Record-Herald concedes Ohio by 11,000. He states that Indiana is hopelessly lost to Taft. This is strong republican corroboration of reports received at our headquarters from every county in these two states. There is a strong probability of carrying Illinois and Iowa, while Kansas, Nebraska and Iowa, as well as Colorado and other Mountain States, are certain for Bryan. We regard New York as absolutely safe for Bryan. The victory will be a glorious one.

W. C. WETMORE, Chairman;
M. F. DUNLAP, Secretary,
Democratic National Finance Committee.

Armstrong-Rotherum.

R. L. Armstrong and Miss Grace Rotherum were married at the home of W. H. Turner Sunday evening at 7 o'clock. Rev. White of the Immanuel Presbyterian church, officiating.

Mr. Armstrong has been a resident of Ada for a number of years and counted one of our most industrious and worthy young men. He is at present in the employ of Sol Moss engaged in the grocery business.

The bride came to Ada recently from Paris, Tex., and has since her residence here been conducting the Ada Millinery Parlors, and is very popular among her many friends and associates. They will reside at the groom's home on West 12th street.

The News joins their many friends with best wishes.

We have sold goods in Ada six years, but we don't ask you to trade with us for the reason we do business in Ada or because we are friends. Neither do we send you prices and descriptions and insist on you sending us the money without personal inspection of our goods, as catalogue houses do, but ask for your trade on the broad ground of good, reliable goods, sold at fair prices and easy terms, with the fact made prominent that we carry a good reliable stock.

We call special attention to our Rockers shipped direct from the factory; no middle man's profit. They are selling fast. Six Upholster Rockers went out Friday and Saturday. We placed rush orders today to supply the demand. When you are in our store, ask to see our Iron Beds, especially a Vernis Martin, two inch post for \$16.00. We solicit your inspection of our stock.

GORE AND THE LEGISLATURE.

Senator Gore's countless thousands of friends and admirers in Oklahoma must not forget the idea that because he had a majority of fifty thousand in the primary, that nothing remains for them to do to insure his re-election to the United States senate.

Senator Gore's successor in the United States senate will be chosen by the next Oklahoma legislature. If that legislature is democratic, Senator Gore will be elected. If it is republican, the general attorney for the Frisco railroad in Oklahoma will be elected. If you prefer Thomas P. Gore as your United States senator to Dennis Flynn, don't fail to use your vote and influence for the election of democratic candidates for the members of the legislature in your district. Only by voting for the democratic candidates for the legislature can you vote for Thomas P. Gore. Remember that on your vote for candidate for representative, or state senator from your county, may depend whether Oklahoma is to

be represented in the United States senate by her gifted blind senator, or by the head of the gas and electric light trust of Oklahoma.

AT LIGHTNING RIDGE.

Honorable Bob Wimbish and Otis Weaver, under committee assignment went to Lightning Ridge Saturday evening and that night addressed the citizens of that banner democratic community in behalf of the democratic ticket.

A fair sized audience was present and the most courteous reception was extended the visitors.

Mr. Wimbish delivered a most appropriate and forceful address and was heartily cheered at its conclusion. He made an especial appeal to the socialists to come into the democratic fold where they would be affiliated with the citizens who are struggling for the best government obtainable. Said Bob to them, "Since the writing of that idealistic socialist production, Utopia, several generations ago, the socialists remain as distant from the accomplishments of its beautiful portrayals."

The News editor made a few feeble remarks succeeding which, he took up a collection in behalf of the democratic campaign fund, receiving seven dollars, those contributing being: W. M. Couder, \$1.00; W. V. Smith, \$1.00; R. L. Hennigan, \$1.00; A. Hennigan, \$1.00; G. W. Montgomery, \$1.00; H. G. Coffee, \$1.00; C. W. Laseman, \$1.00

We appreciated the kindly treatment at the hands of the Lightning Ridge democracy.

You may catch cold; don't do without a cloak when you can buy at \$7.50 cloak for \$3.95.
A \$10.00 cloak for \$5.95.
A \$16.00 cloak for \$12.50.

ORDINANCE NO. 154.

AN ORDINANCE REGULATING THE CONSTRUCTION OF BUILDINGS, AND PUBLIC WORKS IN THE CITY OF ADA, OKLAHOMA. Be it ordained by the Mayor and Councilmen of the City of Ada:

Section 1. That no person, company, or corporation shall erect or caused to be erected within the City of Ada, any building or structure of any kind, or enlarge or add to the outside dimensions of, or relocate any building or structure already located or which may hereafter be erected, without first having obtained from the City Clerk a permit therefore.

Section 2. The application for such permit shall state the exact site to be occupied by the proposed building or structure, or addition, the kind of material to be used, its dimensions when completed, the business or purpose for which it is to be used; and for the purpose of this article, buildings are hereby classified under the following heads, to-wit: (1) residences and addition thereto; (2) barns and outbuildings; (3) shops and factories; (4) business and warehouses; (5) churches and school houses; (6) hotels; (7) halls and public buildings. And the application shall also state the number of floors to be constructed in such building or structure or addition, and the kind of floors; and in case of the removal or relocation of any building or structure, the application state the site to be occupied after removal.

Section 3. Any work, alteration, or repair to be made on the inside of any building or structure or the roof of same, located within the fire limits, when such alteration, work, or repair shall pertain in any way to the external or party walls, or to the columns or partition walls which or the support of the floor beams or rafter joists, or to the floors, stairways or roofs of such building, structure or addition, shall to the extent of such work, alteration, or repair, be subject to the provisions of this ordinance. A blank form of application shall be supplied by the city, and a fee of one dollar shall be charged for the building permit issued for a building costing not over five hundred dollars and not less than twenty-five dollars; two dollars for a building permit for a building costing over five hundred and less than two thousand dollars; and three dollars for a building permit for any building costing over two thousand dollars. All fees arising under this section shall be paid to the City Clerk by the person making the application, which said fees shall be applied to the engineering fund provided, that outside the fire limits, the fee for issuing the permits aforesaid, shall be one-half the price charged for permits for the same value of buildings inside the fire limits.

Section 4. It shall be the duty of the City Clerk to issue all building and other permits hereafter provided for, the same to be approved by the city engineer. It shall be his duty, upon application for such permit being made, to see that such proposed building, structure, or addition, alteration or relocation is to be in conformity with the ordinances of the city pertaining to the erection of buildings and the construction of chimneys and flues, and if necessary he may require that the plans and specification which have been prepared for such building, etc., be submitted to him for inspection. And if such building, structure, etc., is not in violation of the ordinances of the city, the said City Engineer shall promptly approve the same and instruct the City Clerk to issue a permit to the applicant to build, add to, alter, or relocate such structure, building, or addition, at the place, and of the dimensions and material set forth in said application as approved. Any proposed building, structure, addition, alteration or relocation for which an application for a permit has been made and which in the opinion of the City Engineer is in whole or in part hazardous and dangerous to the public safety or interfering with the use of the streets, or which is not clearly covered by or within the ordinances of said city, the City Engineer shall withhold such permit until the case can be reported by him to the Mayor, which he shall promptly do and the permit in such case, if issued, shall be issued by the Mayor, such order to be endorsed on the permit. If in process of erecting any building, structure, addition or alteration for which a permit has been issued, it shall come to the knowledge of the City Engineer that any feature is being incorporated in or upon such building, etc., which is, in his judgment, extra hazardous and dangerous with regards fire, and which objection-

able feature was not specified in such application and building permit, or which is not clearly covered by or defined in the ordinances of said city, he may direct that further progress of such particular objectionable work shall cease, until reported by him to the Mayor, which he shall promptly do and a permit be ordered or refused, as heretofore named in this section.

Section 5. The City Clerk shall keep a record of all permits issued under this ordinance, and shall also file in his office all applications upon which permits have been issued or refused. Both applications and permits shall be numbered regularly in the order filed and issued, and each permit shall agree in essential details with the application as approved. The record shall contain record of building permits of every building, or structure erected, every addition, alteration or removal, of what material constructed, and the estimated cost. The said record shall be kept in a clear, legible hand and shall be turned over to his successor upon his retiring from office, or in case no successor has been appointed or elected, then to the Mayor of the city. The said City Clerk shall collect all fees for building permits before same are issued, and shall retain 10 per cent of the amount of such fees to be applied on his salary, the balance to be turned over to the City Treasurer and his duplicate receipt taken therefor.

Section 6. No building shall hereafter be erected within the fire limits of the said City of Ada, except as hereinafter provided, to-wit:

(a.) All outside and party walls shall be made of stone, brick or other fire-proof material.

(b.) All outside and party walls not exceeding twenty-four feet in height from the level of the sidewalk to the underside of the roof joists or rafters shall not be less than ten inches in thickness; provided, that said walls shall be tied with galvanized wire wall ties of not less than twelve gauge wire every four courses, or if brick headers are used they shall be furnished bond every sixth course.

(c.) All outside and party walls of brick dwellings not exceeding twelve feet in height from the top of the water table to the underside of the roof joists or rafters shall not be less than ten inches in thickness; provided, that said walls shall be tied with galvanized wire wall ties of not less than twelve gauge wire every four courses, or if brick headers are used they shall be furnished bond every sixth course.

(d.) Outside or party walls exceeding twenty-six feet in height from the level of the sidewalk to the underside of the roof joists or rafters, shall not be less than seventeen inches in thickness up to the third story if of brick, and not less than twenty-two inches if of stone; thirteen inches for the third story, if of brick, and not less than eighteen inches for the third story if of stone; and for buildings of more than three stories the thickness of the walls for the lower stories shall be increased by four inches of brick and six inches of stone for each additional story. All party or division walls must have fire-walls extending up through the roof at least eighteen inches. Provided: That division or party walls, when not extended to the roof, must be built flush with the top of the joists.

(e.) All joists, beams, or other timber in outside and party walls, shall be supported at least four inches from each other with stone or brick laid in mortar, and all wooden material or plate pieces in front or rear walls, shall recede from the outside walls at least four inches, except that lintels or timber may be used in cornice covered with tin, iron, or other fire-proof material, which recede four inches from the outside or front as aforesaid.

(f.) Roofs, cornices, and gutters shall be covered on the outside surface with copper, tin, zinc, or other fire-proof materials.

(g.) In brick walls, every fifth course shall be headers. Walls shall be securely anchored to the timbers and joists resting upon them with wrought iron or steel anchors placed not more than six feet apart, for joists, which anchors must be such as would, if so set as to pierce the walls, render the walls unsafe, or so as to enclose into the wall shall rest on iron plates not less than eight inches wide and the wall shall rest on non-plates not less than eight inches wide and sixteen inches long. All such girders shall have heavy non-anchors not less than three feet six inches long by two inches wide and one-fourth of an inch thick, three to be fastened to the girder or beam with not less than three three-inch wrought nails with hook at end of strap one-inch long let into the wood. Where girders and beams meet, they shall be securely fastened together with wrought iron straps not less than

two inches in width and three-eighths of an inch thick with not less than four nails as above specified, and hook one inch long at either end let into the wood.

Section 7. All buildings shall be provided with proper metallic leaders or pipes to conduct the water from the roof to the ground.

Section 8. The City Engineer shall be authorized to inspect all buildings and structures erected, altered, or repaired, and to issue orders for the removal or relocation of any building or structure found to be in violation of the ordinances of the city.

The wholesome, harmless green leaves and tender stems of a lung healing mountainous shrub, give to Dr. Shoop's Cough Remedy its curative properties. Tickling or dry bronchial coughs quickly and safely yield to this highly effective cough medicine. Dr. Shoop assures mothers that they can with safety give it to even very young babies. No opium, no chloroform—absolutely nothing harsh or harmful. It calms the distressing cough, and heals the sensitive membranes. Accept no other. Demand Dr. Shoop's. Sold by G. M. Ramsey. 156-1mo

IF WOMEN ONLY KNEW.

What a Heap of Happiness It Would Bring to Ada Homes.

Hard to do housework with an aching back

Brings you hours of misery at leisure or at work

If women only knew the cause—that backache pains come from sick kidneys 'twould save much needless woe Doan's Kidney Pills cure sick kidneys Ada people endorse this

Mrs S M Kiser living at 502 W Main street, Ada Okla, says

Last summer I was suffering a great deal from a dull heavy aching through my back and hips I thought it was due to a cold settling on my kidneys, and was inclined to believe that it would soon disappear The aching became more intense, however, and other symptoms of kidney trouble developed I then decided to give Doan's Kidney Pills a trial, and procured a box at G M Ramsey's drug store After taking a few doses the trouble began to disappear I continued using the remedy faithfully until my difficulties were entirely removed I am glad to state I have had no return of kidney complaint since

For sale by all dealers Price 50 cents Foster-Nilburn Co., Buffalo New York sole agents for the United States

NOTICE OF HEARING OF APPLICATION FOR ISSUANCE OF FUNDING BONDS.

To Whom This May Concern:

Notice is hereby given that on the 26th day of October, A D, 1908, at 9 o'clock a m, or so soon thereafter as the same may be heard, the city of Ada, Oklahoma, will by its proper officials, proceed through the district court in and for Pontotoc County, Oklahoma, at the court house in said city, to make a showing and ask the court to hear and determine the amount of certain outstanding legal warrant indebtedness of said city of Ada, incurred prior to the 16th day of November, 1907 and to sign the bonds of said city to be issued in payment of the same in the sum of Nine Thousand Dollars (\$9,000.00) Said bonds to be due in twenty years from date, bearing interest at five per centum per annum payable semi-annually, and issued in denominations of five hundred dollars (\$500.00) each

Any and all persons interested in the above matter of the issuance of the said funding bonds, are hereby notified to appear at the time and place given in this notice, and may, in open court, remonstrate against the issuance of the same

flues suspected to be in a dangerous and unclean condition, and if any such chimneys or flues are found by him to be unsafe out of repair or unclean he shall give written or printed notice to the owner or occupant of the premises to have the same put in a safe condition repaired or cleaned within five days from the date of said notice. If the owner or occupant shall fail to comply with such notice within the time limited the said inspector shall report such owner or occupant to the city attorney for prosecution and shall proceed to have such chimneys or flues put in safe condition repaired or cleaned and the cost thereof shall be taxed as a cost against such owner or occupant in the proceeding against him before the police judge.

Section 13 It shall be unlawful for any person to occupy or obstruct any street avenue or alley in the City of Ada by the removal of any building or house from one place to another without first having obtained written permission from the Mayor so to do. Such written permission shall specify what portion of the streets avenues or alleys shall be used and for what period of time they may be used in removal of the building. And it shall be unlawful for any person to occupy or obstruct any portion of any street avenue or alley other than specified in such written permission or for a longer period than therein granted.

Section 14 No person shall within the City of Ada move or caused to be moved any building or house from one place to another without first having obtained written permission as provided for in section 13.

Section 15 When any building is being relocated in the city as provided in this article the person company or corporation moving the said building shall if such building be left on any street of the city over night notify the chief of police of the location of such building and such building shall be left in such manner as not to prevent traffic on such street.

Section 16 No wooden building or part of a building within the fire limits except dwelling houses in cases with brick shall be raised repaired enlarged or removed to any other place within the same nor shall any wooden building within the said limits which may hereafter be damaged by fire the elements or decay to the extent of forty per cent of the value thereof be repaired or rebuilt nor shall any building where the damages are less than forty per cent of its value be so repaired as to be raised higher than the highest point left standing.

after such damage shall have occurred, so as to occupy a greater space than before the injury thereto.

Section 17 The amount of damage that may be done to any building may be determined by the Mayor and two citizens who shall be selected as follows: The first shall be chosen by the owner of the building and the second by the Mayor and person chosen by the property owner and the decision of the three shall be final and conclusive.

Section 18 Whenever such building shall be adjudged by arbitrators to have been damaged by fire the elements or decay to the extent of forty per cent of its value, such building shall be condemned by the committee and it shall be unlawful as aforesaid to repair the same.

Section 19 All buildings erected outside of the fire limits shall be constructed of material suitable for the purpose and in a safe and workmanlike manner.

Section 20 Any person who shall violate any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined not less than ten nor more than fifty dollars.

Passed by the council this the 12th day of Oct A D 1908.

Approved by the Mayor this the 13th day of Oct A D 1908.

GRAND LEADER

Reuben M. Roddie returned from Oklahoma City this morning.

Stomach troubles would more quickly disappear if the idea of treating the cause rather than the effect would come into practice. A tiny inside hidden nerve, says Dr. Shoop, governs and gives strength to the stomach. A branch also goes to the heart and one to the kidneys. When these inside nerves fail then the organs must falter. Dr. Shoop's Restorative is directed specifically to these failing nerves. Within 53 hours after starting the Restorative treatment patients say they realize a gain. Sold by G. M. Ramsey 156-1m

A pain prescription is printed up on each 20c box of Dr. Shoop's Pink Pain Tablets. Ask your doctor or druggist if this formula is not complete. Head pains womanly pains pains anywhere get instant relief from a Pink Pain Tablet. G. M. Ramsey 156-1m

HOW TO CURE SKIN DISEASES.

The germs that cause skin diseases must be drawn to the surface of the skin and destroyed. ZLMO, a clean liquid for external use, will do this and will permanently cure every form of itching skin disease. For sale everywhere. Write for sample. E. W. Rose, Medicine Co. St. Louis. Sold by Gwynn Wags & Co.

RAILROAD RATES.

Visit to Dallas Fair Within Reach of All.

Dallas Texas Oct 19—The railroads of the Southwest have authorized the lowest rates ever made to Dallas account the twenty-third annual meeting of the State Fair of Texas which opens in Dallas Saturday Oct 17 and continues sixteen days. From Kansas to the Gulf Coast and from Mississippi to New Mexico reports have been received by local railroad men indicating that the passenger traffic into Dallas on account of Fair would be more than last year. The round trip rates that will apply from all points in Texas are as follows:

Class A Rates Convention basis or one and one fifth for the round trip tickets on sale daily October 16 to 31 inclusive limited to November 2nd 1908 for return.

Class B Rates One fare plus 10 cents for the round trip tickets on sale daily October 17 to November 1 inclusive limited two (2) days from date of sale not to exceed November 2 1908.

Class C Rates (Sunday Rates) One fare round trip not to exceed \$1.00 from points within 100 miles with maximum rate of \$1.50 from points within 100 miles of Dallas tickets to be sold for trains arriving at Dallas before 2 p. m. on October 18 2 and November 1 limited to date of sale.

Class D Rates One half of the one way rate with minimum selling rate of \$1.00 tickets to be sold for trains arriving at Dallas Saturday November 1 limited to leave Dallas not later than November 2 1908.

Very low rates are also authorized for the Pan from Louisiana Arkansas and Oklahoma points.

Just a minute. Cu Cura Hair and Scalp remedies are guaranteed to give satisfaction or your money refunded. For sale by the J. E. Jones drug company.

PAIN

Pain in the head—pain anywhere has its cause. Pain is congestion—pains blood pressure—nothing else usually. At least so says Dr. Shoop and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablets—concrete blood pressure away from pain centers. Its effects are charming—pleasingly delightful—gentle though safety, it surely equalizes the blood circulation. If you have a headache. It's blood pressure. If it's painful periods with women same cause. If you are restless nervous it's blood congestion—blood pressure. That surely is a certainty for Dr. Shoop's Headache Tablets stop it in 20 minutes and the tablets simply distribute the unnatural blood pressure. Rub your finger and doesn't it get red and swell and pain you? Of course it does. It's a congestion blood pressure. You'll find it where pain is—always. It's simply Common Sense. We sell at 25 cents, and cheerfully recommend.

Dr. Shoop's
Headache
Tablets

We sell something more
Than drugs at our drug store

We've envelopes paper pens and ink
And many things which we think
The Ada people can easily use
And yet we do not hide Booze

If you with us will trade
We'll try to observe the golden rule
And we'll not be the least afraid
Because we do not sell the mule

So we do invite the people all
Of Ada's fair and pretty land
To buy drugs from us this fall
And on fairness let us all stand

We're here for your—health
As well as your—wealth

PEOPLE'S PHARMACY

DEATH LIST REACHES 27.

Twenty-Seven known to have perished in Michigan Forest Fires, Which Are Still Raging.

Alpena Mich. Oct 17—With twenty seven people known to have perished in Presque Isle and with the forest still raging uncontrolled through the counties of Cheboygan Presque Isle Alpena and Aconia as well as in other scattered districts through Northern Michigan diligent search was begun today to determine the full extent of holocaust. It may take days to reveal the tragedies likely to have occurred on the isolated farms with families fighting bravely to save their lives and home.

fully known for a week but it needs no elaborated details to de-stress. The death list may not be termine that the property loss will run into the millions. Whole villages have been blotted off the map and logging camps by the dozen have been destroyed with the entire seasons output. Other districts where bad forest fires are reported are in the neighborhood of Elmira Gaylord, Johannesburg Cadillac Gayling in Crawford county where four million trees planted by the state forestry commission were destroyed. Grawn Caseville and Bad Axe in the upper Peninsula the utermost fires are reported. Sault Ste. Marie Menominee Escanaba Gilmart and Houghton At Koss near Menominee eighteen homes are reported destroyed and as many more endangered.

DEVOTED TO MAKING ADA A LARGER AND MORE PROGRESSIVE CITY

VOLUME 5

ADA, OKLAHOMA, MONDAY EVENING, OCTOBER 19, 1908

NUMBER 172

WAR SEEMS LIKELY

Paris, Oct. 17.—Optimism prevailing in official circles up to today concerning the ability of the Powers to retain peace in Eastern Europe was rudely shattered this evening on the receipt of a telegram from the French Ambassador at Constantinople M. Constans announcing that Turkey had ordered the mobilization of her troops in Asia Minor and tonight it is believed that a few hours will determine the issue of peace or war. This is regarded as Turkey's answer to Bulgaria's refusal to accept compensation for her independence and to the Powers which arranged the program in London for the international conference. French authorities urge prudence. Instructions have been hurriedly forwarded to the French representatives at Constantinople and Sofia to receive their counsels of prudence and undoubtedly the other Powers have sent similar instructions to their representatives at these cities urging moderation on the part of Bulgaria and Turkey.

Fear Collision Is Inevitable.
The fear among diplomats however is that intervention may come too late and that Bulgarians in their present state of excitement may accept Turkey's act as one of provocation and advance across the frontier when a collision between the two armies would be inevitable and irreparable.

Diplomats Consider Situation.
At a dinner at the Russian Embassy tonight in honor of M. Isvolsky the Russian Foreign Minister at which Premier Clemenceau, M. Pinchon the French Foreign Minister and Baron

Rosen the Russian Ambassador to the United States who is now on his way to Biarritz, were present, the ominous nature of the situation was discussed but the hope was expressed that diplomacy might yet save the day. If twenty-four hours can be gained diplomats in Paris generally believe that Turkey and Bulgaria can be made to see the folly of hostilities.

STRAW VOTE TAKEN

New York, Oct. 17.—All over the country the political winds are rising. They blow this way and that. Straws which show their tendency are interesting factors just before the gale of November. Such factors are popular ballots carefully and widely taken in doubtful states and in cities where conflicting claims are made by the great contending parties.

Never before have so many of those indicative factors been furnished by a newspaper on the eve of a national election. With votes here given details of which follow are stories of conditions in the states of Maryland, Iowa, Kansas and Missouri and the result of polls taken on the same night in the theaters of Greater New York, Cincinnati, St. Louis and Baltimore.

In Maryland in country and city nearly 2500 votes were polled. Of these Mr. Taft got 1,237 and Mr. Bryan 1,267. The drift shown was the declared intention of forty-five republicans to vote for Mr. Bryan and eighty-five democrats to vote for Mr. Taft.

In Iowa an exhaustive canvass was taken. It embraces eighteen cities including Des Moines, Burlington, Sioux City and Council Bluffs. Nearly 7,000 votes were polled. Of these Mr. Taft received 3,638 and Mr. Bryan 2,349. From this showing the Chicago Record Herald says Mr. Taft will carry the state by more than 55,000.

In Kansas polls were made in Topeka, Wichita and Manhattan, the east of the state agricultural college. The latter seemed to indicate that if the city and town were about even rural Kansas would give the state to Mr. Taft by 60,000 over Mr. Bryan.

Indication from the straw vote in Missouri are that it will show Mr. Bryan that it has returned to its old time party by 50,000.

In Greater New York twenty-eight theaters were polled on Thursday night when audiences in the playhouses of Baltimore, St. Louis and Cincinnati were asked to vote for their choice for president. A heavy vote was obtained in this city. 7,000 ballots were cast of which Mr. Taft received 11,600 and Mr. Bryan 23,400. The vote for governor was 2,694 for Mr. Hughes and 4,606 for Mr. Chauncy.

Eight theaters in St. Louis gave Mr. Taft a majority of nineteen. In Cincinnati in eleven theaters the vote was 2,224 for Mr. Taft and 2,032 for Mr. Bryan, a majority of 192 for the republican candidate in his home town in a total of more than 4,000. The seven theaters polled in Baltimore gave Bryan a lead of forty-seven but the vote showed a decided drift to his foremost opponent.

TAPS WELCOME AMERICAN FLEET
Yokohama, Oct. 18.—The American battleship fleet dropped anchor in the harbor at 9:30 o'clock this Sunday morning. Owing to a fog that hung heavy over the bay there was some delay in the fleet's arrival.

Great Enthusiasm Prevails.
At 5:45 a. m. the guns from one of the sixteen Japanese battleships boomed a salute as the tender Yankton which was slightly in the lead of the American fleet appeared dimly through the fog which soon lifted a little on giving a view of the fleet approaching its anchor age ground.

OHIO AND INDIANA.

These States Conceded to William J. Bryan.

Chicago, Ill., Oct. 17.—Wellman in Record Herald concedes Ohio by 11,000. He states that Indiana is hopelessly lost to Taft. This is strong republican corroboration of reports received at our headquarters from every county in these two states. There is a strong probability of carrying Illinois and Iowa while Kansas, Nebraska and Iowa as well as Colorado and other Mountain States are certain for Bryan. We regard New York as absolutely safe for Bryan. The victory will be a glorious one.

W. C. WEINMOR Chairman
W. F. DUNAP Secretary
Democratic National Finance Committee

Armstrong-Rotherum.

R. L. Armstrong and Miss Grace Rotherum were married at the home of W. H. Turner Sunday evening at 7 o'clock. Rev. White of the Emmanuel Presbyterian church officiating.

Mr. Armstrong has been a resident of Ada for a number of years and counted one of our most industrious and worthy young men. He is at present in the employ of Sol Moss engaged in the grocery business.

The bride came to Ada recently from Paris, Tex. and has since her residence here been conducting the Ada Millinery Parlors and is very popular among her many friends and associates. They will reside at the groom's home on West 12th street.

The News joins their many friends with best wishes.

We have sold goods in Ada six years, but we don't ask you to trade with us for the reason we do business in Ada or because we are friends. Neither do we send you prices and descriptions and insist on you sending us the money without personal inspection of our goods, as catalogue houses do, but ask for your trade on the broad ground of good, reliable goods sold at fair prices and easy terms, with the fact made prominent that we carry a good reliable stock.

We call special attention to our Rockers shipped direct from the factory no middle man's profit. They are selling fast. Six upholster Rockers went out Friday and Saturday. We placed rush orders today to supply the demand. When you are in our store ask to see our Iron Beds especially a Verme Martin, two inch post for \$16.00. We solicit your inspection of our stock.

GORE AND THE LEGISLATURE.

Senator Gore's countless thousands of friends and admirers in Oklahoma must not forget the idea that because he had a majority of fifty thousand in the primary, that nothing remains for them to do to insure his re-election to the United States senate.

Senator Gore's successor in the United States senate will be chosen by the next Oklahoma legislature. If that legislature is democratic, Senator Gore will be elected. If it is republican, the general attorney for the Frisco railroad in Oklahoma will be elected. If you prefer Thomas P. Gore as your United States senator to Dennis Flynn, don't fail to use your vote and influence for the election of democratic candidates for the members of the legislature in your district. Only by voting for the democratic candidates for the legislature can you vote for Thomas P. Gore. Remember that on your vote for candidate for representative, or state senator from your county, may depend whether Oklahoma is to

be represented in the United States senate by her gifted blind senator, or by the head of the gas and electric light trust of Oklahoma.

AT LIGHTNING RIDGE.

Honorable Bob Wimbish and Otis Weaver, under committee assignment went to Lightning Ridge Saturday evening and that night addressed the citizens of that banner democratic community in behalf of the democratic ticket.

A fair sized audience was present and the most courteous reception was extended the visitors.

Mr. Wimbish delivered a most appropriate and forceful address and was heartily cheered at its conclusion. He made an especial appeal to the socialists to come into the democratic fold where they would be affiliated with the citizens who are struggling for the best government obtainable. Said Bob to them, "Since the writing of that idealistic socialist production, Utopia, several generations ago, the socialists remain as distant from the accomplishments of its beautiful portrayals."

The News editor made a few feeble remarks succeeding which, he took up a collection in behalf of the democratic campaign fund, receiving seven dollars, those contributing being: W. M. Conder, \$1.00; W. V. Smith, \$1.00; R. L. Hennigan, \$1.00; A. Hennigan, \$1.00; G. W. Montgomery, \$1.00; H. G. Coffee, \$1.00; G. W. Laseman, \$1.00

We appreciated the kindly treatment at the hands of the Lightning Ridge democracy.

You may catch cold; don't do without a cloak when you can buy at \$7.50 cloak for \$3.98.

A \$10.00 cloak for \$5.98.

A \$16.00 cloak for \$12.50.

ORDINANCE NO. 154.

AN ORDINANCE REGULATING THE CONSTRUCTION OF BUILDINGS, AND PUBLIC WORKS IN THE CITY OF ADA, OKLAHOMA.

Be it ordained by the Mayor and Councilmen of the City of Ada:

Section 1. That no person, company, or corporation shall erect or caused to be erected within the City of Ada, any building or structure of any kind, or enlarge or add to the outside dimensions of, or relocate any building or structure already located or which may hereafter be erected, without first having obtained from the City Clerk a permit therefor.

Section 2. The application for such permit shall state the exact site to be occupied by the proposed building or structure, or addition, the kind of material to be used, its dimensions when completed, the business or purpose for which it is to be used; and for the purpose of this article, buildings are hereby classified under the following heads, to-wit: (1) residences and addition thereto; (2) barns and outbuildings; (3) shops and factories; (4) business and warehouses; (5) churches and school houses; (6) hotels; (7) halls and public buildings. And the application shall also state the number of floors to be constructed in such building or structure or addition, and the kind of floors; and in case of the removal or relocation of any building or structure, the application shall state the site to be occupied after removal.

Section 3. Any work, alteration, or repair to be made on the inside of any building or structure or the roof of same, located within the fire limits, when such alteration, work, or repair shall pertain in any way to the external or party walls, or to the columns or partition walls which or the support of the floor beams or rafters joists, or to the floors, stairways or roofs of such building, structure or addition, shall to the extent of such work, alteration, or repair, be subject to the provisions of this ordinance. A blank form of application shall be supplied by the city, and a fee of one dollar shall be charged for the building permit issued for a building costing not over five hundred dollars and not less than twenty-five dollars; two dollars for a building permit for a building costing over five hundred dollars and less than two thousand dollars; and three dollars, for a building permit for any building costing over two thousand dollars. All fees arising under this section shall be paid to the City Clerk by the person making the application, which said fees shall be applied to the engineering fund. Provided, that outside the fire limits, the fee for issuing the permits aforesaid, shall be one-half the price charged for permits for the same value of buildings inside the fire limits.

Section 4. It shall be the duty of the City Clerk to issue all building and other permits hereafter provided for, the same to be approved by the city engineer. It shall be his duty, upon application for such permit being made, to see that such proposed building, structure, or addition, alteration or relocation is to be in conformity with the ordinances of the city pertaining to the erection of buildings and the construction of chimneys and flues, and if necessary he may require that the plans and specification which have been prepared for such building, etc., be submitted to him for inspection. And if such building, structure, etc., is not in violation of the ordinances of the city, the said City Engineer shall promptly approve the same and instruct the City Clerk to issue a permit to the applicant to build, add to, alter, or relocate such structure, building, or addition, at the place, and of the dimensions and material set forth in said application as approved. Any proposed building, structure, addition, alteration or relocation for which an application for a permit has been made and which in the opinion of the City Engineer is in whole or in part hazardous and dangerous, and the existing or spreading of fire, and which is not clearly covered by or within the ordinances of said city, the City Engineer shall withhold such permit until the case can be reported by him to the Mayor, which he shall promptly do, and the Mayor, in such case, if issued, shall be issued by the Mayor, such order to be endorsed on the permit if in the process of erecting any building, structure, addition or alteration for which a permit has been issued, it shall come to the knowledge of the City Engineer that any feature is being incorporated in or upon such building, etc., which is, in his judgment, extra hazardous and dangerous as regards fire, and which objection-

able feature was not specified in such application and building permit, or which is not clearly covered by or defined in the ordinances of said city, he may direct that further progress of such particular objectionable work shall cease, until reported by him to the Mayor, which he shall promptly do and a permit be ordered or refused, as heretofore named in this section.

Section 5. The City Clerk shall keep a record of all permits issued under this ordinance, and shall also file in his office all applications upon which permits have been issued or refused. Both applications and permits shall be numbered regularly in the order filed and issued, and each permit shall agree in essential details with the application as approved. The record shall contain record of building permits of every building, or structure erected, every addition, alteration or removal, of what material constructed, and the estimated cost. The said record shall be kept in a clear, legible hand and shall be turned over to his successor upon his retiring from office, or in case no successor has been appointed or elected, then to the Mayor of the city. The said City Clerk shall collect all fees for building permits before same are issued, and shall retain 10 per cent of the amount of such fees to be applied on his salary, the balance to be turned over to the City Treasurer and his duplicate receipt taken therefor.

Section 6. No building shall hereafter be erected within the fire limits of the said City of Ada, except as hereinafter provided, to-wit:

(a.) All outside and party walls shall be made of stone, brick or other fire-proof material.

(b.) All outside and party walls not exceeding twenty-four feet in height from the level of the sidewalk to the underside of the roof joists or rafters shall not be less than thirteen inches in thickness, if of brick, and not less than eighteen inches if of stone.

(c.) All outside and party walls of brick dwellings not exceeding twelve feet in height from the top of the water table to the underside of the roof joists or rafters shall not be less than ten inches in thickness; provided, that said walls shall be tied with galvanized wire wall ties of not less than twelve gauge wire every four courses, or if brick headers are used they shall be demolished bond every sixth course.

(d.) Outside or party walls exceeding twenty-six feet in height from the level of the sidewalk to the underside of the roof joists or rafters, shall not be less than seventeen inches in thickness up to the third story if of brick, and not less than twenty-two inches if of stone; thirteen inches for the third story, if of brick, and not less than eighteen inches for the third story if of stone; and for buildings of more than three stories the thickness of the walls for the lower stories shall be increased by four inches of brick and six inches of stone for each additional story. All party or division walls must have fire-walls extending up through the roof at least eighteen inches. Provided: That division or party walls, when not extended to the roof, must be built flush with the top of the joists.

(e.) All joists, beams, or other timber in outside and party walls, shall be supported at least four inches from each other with stone or brick laid in mortar, and all wooden material or plate placed in front or rear walls, shall recede from the outside walls at least four inches, except that lintels or timber may be used in cornice covered with tin, iron, or other fire-proof material, which recede four inches from the outside or front as aforesaid.

(f.) Roofs, cornices, and gutters shall be covered on the outside surface with copper, tin, iron, or other fire-proof materials.

(g.) In brick walls, every fifth course shall be headers. Walls shall be securely anchored to the rafters and joists resting upon them with wrought iron or steel anchors placed not more than six feet apart, for joists, where the same are more than five feet apart must be anchored. One end of the anchor shall be bolted to the wall, the other end shall rest on non-plates not less than eight inches wide and sixteen inches long. All such girders shall have heavy iron anchors not less than three feet six inches long by two inches wide and one-fourth of an inch thick, three to be fastened to the girder or beam with not less than three three-inch wrought nails with hook at end of strap one-inch long let into the wood. Where girders and beams meet, they shall be securely fastened together with wrought iron straps not less than

two inches in width and three-eighths of an inch thick with not less than four nails as above specified, and hook one inch long at either end let into the wood.

Section 7. All buildings shall be provided with proper metallic leaders or pipes to conduct the water from the roof to the ground.

Section 8. The chimney of any building shall be constructed of brick or stone, and shall not be less than sixteen inches in thickness at the base, and shall be tapered to the top, and shall be provided with a cap of metal or stone properly secured.

Section 9. No wood work of any kind shall be placed at a lesser distance than two inches from any tin or metal flue or pipe used or intended to be used to convey heated air or steam in any building unless such flue or pipe be cased with metal or asbestos leaving a free circulation of air all around the same. No smoke-pipe in any wooden or frame building shall hereafter enter any flue unless the said pipe shall be at least twelve inches from either the floors or ceiling; and all cases where smoke-pipes pass through studs or wooden partition of any kind, whether the same be plastered or not, they shall be guarded by either a collar of metal with at least four inches of air space and holes for ventilation, or by a soapstone ring not less than three inches in thickness and extending through the partition. Flues and party walls shall not extend beyond the center of the wall. Joint flues in party walls shall be separated by a four-inch "with" of brick work through their entire course.

Section 11. The engineer shall be inspector of all chimneys and flues and as such perform the duties required of him by this article.

Section 12. He shall at least, once in each year, and at other times when required, by any member of the city council, or upon complaint of any person, if he deems it necessary, carefully examine all chimneys and flues.

(Continued on page four)

The wholesome, harmless green leaves and tender stems of a lung healing mountainous shrub, give to Dr. Shoop's Cough Remedy its curative properties. Tickling or dry bronchial coughs quickly and safely yield to this highly effective cough medicine. Dr. Shoop assures mothers that they can with safety give it to even very young babes. No opium, no chloroform—absolutely nothing harsh or harmful. It calms the distressing cough, and heals the sensitive membranes. Accept no other. Demand Dr. Shoop's. Sold by G. M. Ramsey. 156-1mo

ORDINANCE NO. 154.

Continued on page 2

flues suspected to be in a dangerous and unclean condition, and if any such chimneys or flues are found by him to be unsafe out of repair or unclean he shall give written or printed notice to the owner or occupant of the premises to have the same put in a safe condition repaired or cleaned within five days from the date of said notice. If the owner or occupant shall fail to comply with such notice within the time limited the said inspector shall report such owner or occupant to the city attorney for prosecution and shall proceed to have such chimneys or flues put in safe condition repaired or cleaned and the cost thereof shall be taxed as a cost against such owner or occupant in the proceeding against him before the police judge.

Section 13 It shall be unlawful for any person to occupy or obstruct any street avenue or alley in the City of Ada by the removal of any building or house from one place to another without first having obtained written permission from the Mayor so to do. Such written permission shall specify what portion of the streets avenues or alleys shall be used and for what period of time they may be used in removal of the building. And it shall be unlawful for any person to occupy or obstruct any portion of any street avenue or alley other than specified in such written permission or for a longer period than therein granted.

Section 14 No person shall within the City of Ada move or caused to be moved any building or house from one place to another without first having obtained written permission as provided for in section 13.

Section 15 When any building is being relocated in the city as provided in this article the person company or corporation moving the said building shall if such building be left on any street of the city over night notify the chief of police of the location of such building and such building shall be left in such manner as not to prevent traffic on such street.

Section 16 No wooden building or part of a building within the fire limits except dwelling houses in cases with brick shall be raised repaired enlarged or removed to any other place within the same nor shall any wooden building within the said limits which may hereafter be damaged by fire the elements or decay to the extent of forty per cent of the value thereof be repaired or rebuilt nor shall any building where the damages are less than forty per cent of its value be so repaired as to be raised higher than the highest point left standing.

after such damage shall have occurred, so as to occupy a greater space than before the injury thereto.

Section 17 The amount of damage that may be done to any building may be determined by the Mayor and two citizens who shall be selected as follows: The first shall be chosen by the owner of the building and the second by the Mayor and person chosen by the property owner and the decision of the three shall be final and conclusive.

Section 18 Whenever such building shall be adjudged by arbitrators to have been damaged by fire the elements or decay to the extent of forty per cent of its value, such building shall be condemned by the committee and it shall be unlawful as aforesaid to repair the same.

Section 19 All buildings erected outside of the fire limits shall be constructed of material suitable for the purpose and in a safe and workmanlike manner.

Section 20 Any person who shall violate any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined not less than ten nor more than fifty dollars.

Passed by the council this the 12th day of Oct A D 1908.

Approved by the Mayor this the 13th day of Oct A D 1908.

RAILROAD RATES.

Visit to Dallas Fair Within Reach of All.

Dallas Texas Oct 19—The railroads of the Southwest have authorized the lowest rates ever made to Dallas account the twenty-third annual meeting of the State Fair of Texas which opens in Dallas Saturday Oct 17 and continues sixteen days. From Kansas to the Gulf Coast and from Mississippi to New Mexico reports have been received by local railroad men indicating that the passenger traffic into Dallas on account of Fair would be more than last year. The round trip rates that will apply from all points in Texas are as follows:

Class A Rates Convention basis or one and one fifth for the round trip tickets on sale daily October 16 to 31 inclusive limited to November 2nd 1908 for return.

Class B Rates One fare plus 10 cents for the round trip tickets on sale daily October 17 to November 1 inclusive limited two (2) days from date of sale not to exceed November 2 1908.

Class C Rates (Sunday Rates) One fare round trip not to exceed \$1.00 from points within 100 miles with maximum rate of \$1.50 from points within 100 miles of Dallas tickets to be sold for trains arriving at Dallas before 2 p. m. on October 18 2 and November 1 limited to date of sale.

Class D Rates One half of the one way rate with minimum selling rate of \$3.00 tickets to be sold for trains arriving at Dallas Saturday November 1 limited to leave Dallas not later than November 2 1908.

Very low rates are also authorized for the Pan from Louisiana Arkansas and Oklahoma points.

Just a minute. Cu Cura Hair and Scalp remedies are guaranteed to give satisfaction or your money refunded. For sale by the J. E. Jones drug company.

PAIN

Pain in the head—pain anywhere has its cause. Pain is congestion—pains blood pressure—nothing else usually. At least so says Dr. Shoop and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablets—concrete blood pressure away from pain centers. Its effects are charmingly pleasant. Gentle though safety, it surely equalizes the blood circulation. If you have a headache. It's blood pressure. If it's painful periods with women same cause. If you are restless nervous it's blood congestion—blood pressure. That surely is a certainty for Dr. Shoop's Headache Tablets stop it in 20 minutes and the tablets simply distribute the unnatural blood pressure. Rub your finger and doesn't it get red and swell and pain you? Of course it does. It's a congestion blood pressure. You'll find it where pain is—always. It's simply Common Sense. We sell at 25 cents, and cheerfully recommend.

Dr. Shoop's
Headache
Tablets
G. M. RAMSEY.

The Grand - Leader's Big Sale brought a big crowd to town Saturday. People came a distance of 75 miles. The store was crowded with happy buyers. 35 clerks were busy. Everybodo was satisfied. The sale is now on in full blast. Cold weather is coming--supply yourself with all your needs. Cloaks, suits, blankets, flannels at your own price. Every article in the house marked in plain figures. One price to all

We sell something more
Than drugs at our drug store
We've envelopes paper pens and ink
And many things which we think
The Ada people can easily use
And yet we do not hide Booze
If you with us will trade
We'll try to observe the golden rule
And we'll not be the least afraid
Because we do not sell the mule
So we do invite the people all
Of Ada's fair and pretty land
To buy drugs from us this fall
And on fairness let us fall or stand

We're here for your—health
As well as your—wealth

PEOPLE'S PHARMACY

DEATH LIST REACHES 27.

Twenty-Seven known to have perished in Michigan Forest Fires, Which Are Still Raging.

Alpena Mich. Oct 17—With twenty seven people known to have perished in Presque Isle and with the forest still raging uncontrolled through the counties of Cheboygan Presque Isle Alpena and Aconia as well as in other scattered districts through Northern Michigan diligent search was begun today to determine the full extent of holocaust. It may take days to reveal the tragedies likely to have occurred on the isolated farms with families fighting bravely to save their lives and home.

fully known for a week but it needs no elaborated details to de-stress. The death list may not be terminate that the property loss will run into the millions. Whole villages have been blotted off the map and logging camps by the dozen have been destroyed with the entire seasons output. Other districts where bad forest fires are reported are in the neighborhood of Elmira Gaylord, Johannesburg Cadillac Gaylord in Crawford county where four million trees planted by the state forestry commission were destroyed. Grawn Caseville and Bad Axe in the upper Peninsula the utermost fires are reported. Sault Ste. Marie Menominee Escanaba Gilmart and Houghton At Koss near Menominee eighteen homes are reported destroyed and as many more endangered.
